

Please join us!

You are invited to join the Stevens Elementary PTA,
an affiliated unit of the Washington State PTA and the National PTA.

Stevens PTA membership entitles you to have an active voice and vote
in the direction and spending of our Stevens-specific PTA dollars. Your dues also
support the educational advocacy efforts of the national, state and local PTA
organizations to promote educational opportunities for all children.

We encourage you to become an active member of the Stevens PTA community!

Annual membership fees are \$10 per individual, or \$20 per family.

*A family membership gives voting rights to two adults. An individual membership
cannot be transferred between adults in the same household.*
